Study leave / compensation leave from school:

Childcare on days when there is study leave or compensation leave at the school is possible. The rates that apply to your package apply to these hours.

Flexible childcare:

It is possible to make use of flexible childcare. It is not guaranteed that there is always childcare possible. This depends on the employee-child ratio on that particular day. The price per hours for flexible childcare is € 8,90.

(*) Explanation 48 weeks package:

In choosing this package, your child is entitled to childcare in the school week and in 8 holiday weeks on the agreed days and childcare hours.

The holiday season in which you do not use the childcare facility can be flexibly planned.

- Weeks that you do not need childcare in the summer holidays, we would like to hear before April. 1st
- Weeks that you do not need childcare during other school holidays we like to hear 2 weeks in advance.

Days that are not used at the end of the year can not be taken to the next year.

Kinderopvangtoeslag/(Childcare allowance):

In 2022 the amount from the government for which you can get reimbursement is € 7,31.

The childcare allowance table is included for your convenience in the appendix. This allows you to see what percentage you can get back via the childcare allowance.

PAY ATTENTION; The first child is the child with the most childcare hours per month.

You can also make a calculation yourself
